INNOVATE & INSPIRE

What drives us to do everything possible to expand human potential?

We believe no one should settle for average. And neither do we. We have a clear mission: To create and sell the best sports and fitness products in the market. To successfully do that, we focus entirely on the quality and user experience of the product.

FITspree, a brand from the house of Supreme, manufactures products made of superior quality materials, ensuring they are non-toxic, skin friendly and child safe. Supreme is a recognized leader in the Indian Plastics Industry and uses the latest global technologies and in-house research in the manufacturing of its products.

Fitspree Mats are Phthalate FREE Mats

At Fitspree, we aspire to help people achieve their full potential and hence we take the quality of our products very seriously.

Do you know that most PVC mats have Phthalate and heavy chemicals which can cause Cancer!

Phthalates are a family of chemical compounds primarily used to make polyvinyl chloride (PVC) or vinyl flexible and pliant.

Exposure to Phthalates Causes

- Asthma
- Attention-deficit hyperactivity disorder
- Breast cancer
- Type II diabetes
- Neurodevelopmental issues
- Autism spectrum disorders
- Altered reproductive development and male fertility issues
